Recent Business Development Outcomes

New Route Development

1. Secured with QFLink 2 direct services per week to Moranbah
2. Airnorth launched last week Townsville- Darwin direct services commencing in Feb 2 x week

- **Reinforces hub position**
- **Strengthens FIFO for region**

- **Connects two similar demographics**
- **Great inbound/outbound opportunity for international**

Property Development Update

Working towards our vision to become an aviation community

- **Flying Colours** a well established aircraft painting organisation is moving from Archerfield to TSV
- Brining all staff to region
- Compliment Worland Aviation MRO facility
- Both Civil and Defence work
- Further reinforces the hub strategy
