

ENVIRONMENT ALERT

Number: 022/2015

Date: 20 Feb 2015

Subject: **Re-Issue- Snake Removal – Contacts**

Area of Concern: **Townsville Airport**

This Environment Alert supersedes Alert No.17.

Snakes on the move

As the weather warms up, there is an increased possibility of encountering snakes during operations at Townsville Airport. Snakes should only be approached by qualified and experienced snake handlers.

DO NOT ATTEMPT TO MOVE OR HANDLE SNAKES!

*Snakes can be highly venomous
Most people are bitten trying to remove snakes themselves*

If you see a snake outside

- Don't Panic
- Do not attempt to move or handle the snake
- Stay away and ensure others stay away from the snake
- The snake should move on by its self shortly

If the snake is in your building or poses a threat

- Don't Panic
- **Contact a qualified snake handler** (below) to remove and relocate the snake
- Do not attempt to move or handle the snake
- Stay away and ensure others stay away from the snake
- If safe to do so, maintain a visual of the snake
